

CLASSIC MARIN, BY THE NUMBERS:

**1.4 MILLION
DOLLAR AVERAGE
HOUSEHOLD NET WORTH.**

**1 IN 4 KIDS
QUALIFIES FOR
FREE LUNCHES.**

**IT'S TIME TO
ADDRESS THE
INEQUALITY GAP.**

Let's be frank: The numbers don't look so good. We'd like to change that.

We are *SchoolsRule*, a group of dedicated public school foundations who have paired with the Marin County Office of Education to help provide all the kids of Marin with the very best educational opportunities.

Regardless of ZIP code.

But, it doesn't work without your help. It's simple: In an effort to start addressing Marin's inequality gap, you donate money; we take that donation and distribute it on a per-student basis.

Every community benefits, and every kid gets to take a step back from the edge.
