

**TODAY, SCIENCE  
IS BEING DISCREDITED.**

**BUT WE'RE GOING TO  
GO AHEAD AND  
TEACH IT  
ANYWAY.**

Call us crazy, but we believe every subject — and every kid — deserves to be taught.

We are *SchoolsRule*, a group of dedicated public school foundations who have partnered with the Marin County Office of Education to help provide all the public school kids of Marin with the very best educational opportunities.

Regardless of ZIP code.

But, it doesn't work without your help. It's simple: In an effort to support Marin public schools, you donate money; we take that donation and distribute it on a per-student basis.

Every subject should be taught; every kid should have an equal opportunity to learn.
