We aren't saying social media doesn't do anything, we're just saying donating does a whole lot more.

We are *SchoolsRule*, a group of dedicated public school foundations who have partnered with the Marin County Office of Education to help provide all the public school kids of Marin with the very best educational opportunities.

Regardless of ZIP code.

But, it doesn't work without your help. It's simple: In an effort to support Marin public schools, you donate money; we take that donation and distribute it on a per-student basis.

Liking *SchoolsRule* is a step in the right direction. Donating is a better one.
