

Use of Funds 2016/17

Bolinas-Stinson Union School District: \$1,636.07

Bolinas-Stinson will use these funds to support the school library including the purchase of new books and to help students who cannot afford to purchase books during the annual book fair.

Dixie School District – Can Do! Education Foundation: \$33,125.85

Can Do! will use this funding to support counseling services at Miller Creek Middle School.

Kentfield School District – kik, \$19,911.05

Kentfield Schools Foundation will utilize the monies to fund equipment needed for the MakerSpace programs at Kent and Bacich.

Lagunitas School District – LEAP: \$4,579.39

LEAP will use these funds to support our district wide Bobcat Band. Bobcat Band provides an amazing array of instruments, an enthusiastic teacher, and a starter course in music reading. All of this, with the help of Schools Rule funds, gives every child in grades 4-8 the ability, attention and tools to explore music.

Larkspur-Corte Madera School District – SPARK: \$25,088.36

SPARK will use these funds to support a nine-week dance program for elementary students, art materials and digital art supplies for our middle school art program and an Arts Integration Planner and Instructor to provide direct instruction for students and professional development for teachers.

Mill Valley School District - Kiddo!: \$52,598.01

Kiddo! will use these funds to help pay for our Kindergarten Dance program, extended library aide hours across the district, and Mindfulness programs in the classroom.

Nicasio School District – Nicasio School Foundation: \$821.57

Nicasio will apply these funds to materials and supplies for Art and Performing Arts programs.

Novato Unified School District - School Fuel: \$130,032.30

School Fuel will continue to use these funds to support music and visual arts instruction at all of the elementary schools. In addition we are adding an enrichment grants program for middle and high schools.

Reed School District – The Foundation for Reed Schools: \$24,890.29

The Foundation for Reed Schools will use our allocation to fund equipment, materials and workshops in our STEM Lab.

Ross School District – Ross School Foundation: \$6,256.02

The Ross School District will apply these funds to our Music Program to purchase instrumental equipment for use by students across all grade levels. Students in grades K-3 will have the opportunity to explore melodic concepts and ensemble performance, as these funds will allow us to purchase several xylophones and bass bars in order to complete a class set. Students in grades 4-8 will benefit from the purchase of new instruments, which will allow more students to participate as members of the band and orchestra on their first choice instrument, and will result in more complete and accurate performances of band and orchestral pieces in concerts.

Ross Valley School District – YES: \$37,566.74

YES will use this money to fund most of the cost for two 6th grade Inventors Lab classes as part of our STEAM program in middle school.
