SCHOOLS RULE THANKS TO THESE FOLKS.

SchoolsRule is a cross-county organization working on behalf of every school district and every public school kid in Marin. All donations are divided on a per-student basis and distributed evenly throughout the county. On October 17th, we distributed a record \$1M thanks to generous contributions of the people on this page who came out in support of SchoolsRule at our 7th annual signature fundraising event held this summer. We happen to think they rule.
