

THE CLASSROOMS ARE EMPTY BUT THE LITTLE SPONGY BRAINS STILL NEED TO BE FILLED.

The buildings are closed. Society is in shutdown. But the education of our little people continues. We are *SchoolsRule*, a group of dedicated public school foundations who have partnered with the Marin County Office of Education to help provide every public school kid in Marin with the very best educational opportunities. Regardless of ZIP code. Regardless of current circumstances.

But the sheer will and tenacity of teachers, parents and students isn't enough. The needs of our schools are only increasing in this crisis. Luckily you can help: Donate what you can, and we will take that donation and distribute it on a per-student basis so every community benefits, and every kid thrives. Despite being stuck at home.
