

TAKE A GUESS.

WHAT EFFECT DO YOU THINK
THE PANDEMIC HAD ON THE

ACHIEVE-
MENT

GAP?

We will keep talking about the Achievement Gap until it no longer exists. But unfortunately, during COVID, it got worse. Help us fill it with arts, literacy, technology and more. We are *SchoolsRule*, a group of dedicated public school foundations who have partnered with the Marin County Office of Education to help provide every public school kid in Marin with the very best educational opportunities. Regardless of ZIP Code. Regardless of current circumstances.

And now, as we as a community rebound from a crisis, your support is needed more than ever.

Donate what you can, and we will take that donation and distribute it on a per-student basis so every community benefits, and every kid thrives. And there's no guesswork involved in that formula.
