

# MARIN MYTHS:

1. WE KNOW EXACTLY WHAT SHOULD GO IN THE COMPOSTING BIN.

2. PUBLIC EDUCATION IS FREE.

The best things in life are free. Except that doesn't apply to the arts, technology, health and literacy programs. Those we have to fund. Enter *SchoolsRule*, a group of dedicated public school foundations who have partnered with the Marin County Office of Education to help provide every public school kid in Marin with the best educational opportunities. They may even figure out this composting stuff out before you do.
