Larkspur-Corte Madera School District – SPARK: \$24,689

Spark will use these funds to purchase ukuleles for the elementary music program, engineering materials for the newly created STEM labs and continued support of the art and wellness programs across the three schools.

Mill Valley School District – Kiddo: \$46,119

Kiddo will use the funds to provide instrument rental scholarships and enhanced music education.

Miller Creek Elementary School District – Can Do! Education Foundation: \$39,788

The Can Do! will utilize the funds to support the expanded counseling services. Each elementary school now has an on site counselor, and the middle school has two counselors and a wellness coordinator. Can Do! provides funding towards the salary and benefits of these counselors and the donation greatly helps us to continue to support these vital services for approximately 1800 students.

Nicasio School District – Nicasio School Foundation: \$956

Nicasio will use these funds to support ongoing upgrades to the school library catalog, including new popular titles, bilingual books, books with equity/inclusion themes, and books that align with the school-wide social-emotional curriculum.

Novato Unified School District - School Fuel: \$176,155

School Fuel will use these funds for enrichment grants to support maker spaces, AVID, newcomer clubs, and academic supports, the Sinaloa Middle School student center, and a new student-produced magazine.

Novato Charter School Foundation: \$5,365

The Novato Charter School Foundation intends to use the funds directly for each of their specialty programs and teachers including music, handwork, movement, Spanish, and math for students with special needs.

Reed School District – The Foundation for Reed Schools: \$19,313

The Foundation for Reed Schools will use these funds to continue to improve our technology spaces at all 3 schools. Some of these things will include visually enhancing all lab and studio spaces in addition to outdoor spaces, purchasing advanced microscopes and engineering kits, and purchasing advanced robotic kits where students can design, build, and practice coding.

Ross School District – Ross School Foundation: \$6,453

Ross School Foundation will put these funds towards the service-learning program. Each grade does some sort of a project that combines classroom knowledge with solving a real-world challenge.

Ross Valley School District – YES: \$34,482

YES will use these funds for the YES Theater program again which serves students from 3rd -8th grade.

Ross Valley Charter School: \$4,555

Ross Valley Charter will use these funds to expand learning intervention support for English Language Learners as well as providing our TK/K/1 teachers with deeper professional development around literacy using Heggerty and Foundations curriculum (Orton-Gillingham method). We also hope to expand teaching and parent education around digital literacy.

San Rafael City Schools – HeadsUp: \$209,648

HeadsUp will use these funds to support arts enrichment at the elementary schools, after-school enrichment at the middle schools, and college/career counseling at the high schools as well as support for the Wellness Centers at Davidson Middle School, San Rafael High and Terra Linda High.

Sausalito Marin City School District - RiseUp! 94965 Foundation: \$8,699

RiseUp Foundation will use these funds towards a goal to fund the salary of one full-time Music Teacher to provide music classes at both campuses at a cost of \$125,000/year.

Shoreline Unified School District: \$13,558

Shoreline will use these funds to support district-wide literacy efforts including enhancements to the classroom libraries to provide more books to reflect the diversity of the student population.

Tamaplais Union High School District:

- **AWHS Falcon Foundation: \$22,303**

AWHS will use these funds to support our Wellness Center. With this amount, we are able to fully fund their operating budget as well as stipends for the wellness interns who provide additional support to our students.

- **Redwood High School Foundation: \$36,375**

Redwood will use our 2023 SchoolsRule funds to provide additional program support and supplies for the on-campus Wellness Center as well as support for intervention initiatives for students who are struggling in school.

- **Tam High Foundation: \$30,373**

The students at Tam High will continue to benefit from having an after-school librarian thanks to the donation from SchoolsRule. This means we are able to provide a safe and calm space to any student who would like to study after school, five days a week. Our afterschool librarian is a Tam High alum and an absolute rockstar. She understands the homework, gives great tips and advice on following marking rubrics, and is warm and welcoming. In addition, Schools Rule funds will contribute to Young Scholars, a group of young black men who meet in tutorials twice a week. Funding will allow us to support the work being done in this much-needed space.

- **Tamiscal and San Andreas: \$4,006**

These funds will be used to continue the support of the wellness programs and equity initiative.

Dedication to Special Education (DSE): \$71,038

DSE will use these funds to continue to support Assistive Technology programs directed toward literacy support for students, teacher grants that focus on the arts, literacy, health and technology in special education classrooms, as well multiple inclusion programs designed to increase the knowledge, understanding and perspectives on the value and application of inclusion of students with disabilities.
